This Grant Deed is also made and accepted in trust for the Protestant Episcopal Church in the United States of America and for the Episcopal Diocese of San Diego, on the terms and conditions set forth in Constitution and Canons For the Government of The Protestant Episcopal Church in The United States of America. The existence of this trust, however, shall in no way limit the power and authority of Grantee otherwise existing over the Property, so long as Grantee remains a parish that is a part of, and subject to, The Protestant Episcopal Church in The United States of America and its Constitution and Canons, and a constituent parish affiliated with and subject to The Episcopal Diocese of San Diego.

The Property shall not be sold, leased, conveyed, exchanged, transferred or otherwise disposed of, or encumbered, without the prior written consent of The Episcopal Bishop of San Diego and the Standing Committee of The Episcopal Diocese of San Diego.”

[Amended in Convention 2007: To clarify the circumstances and procedure for transference of property to a Parish.]

**2.14 Bishop May Dissolve Mission.** The Bishop may dissolve a Mission, with the consent of the Standing Committee, when in the Bishop's opinion, the failure to fulfill any of its pledges made to the Bishop shall warrant in doing so. In the event of such dissolution, the Bishop shall become the custodian of all personal property and fixtures of the Mission other than that held in trust by the Corporation of the Diocese under Title II, Canon 2.11 and may dispose of such property according to the Bishop's best judgment in the interest of the general mission work of the Diocese.

[Amended in Convention 1996: To conform the numbering system and to render the Canons gender neutral]

**2.15 Dissolution of Mission.** Should a Diocesan Mission be dissolved or cease to exist, then the Corporation of the Diocese may hold, manage, sell or otherwise dispose of any real property of such a mission and apply the same, or the proceeds therefrom, to such beneficial use and purpose of the Church in the Diocese as the Corporation of the Diocese with the consent of the Bishop and the Standing Committee may deem to be for the best interest of the Diocese.

**2.16 Dissolution of Parochial Mission.** A parochial Mission may be dissolved by action of the Vestry of the sponsoring Parish with the consents of the Bishop and the Standing Committee and its property shall revert to the sponsoring Parish for such beneficial use of said Parish as its Vestry shall deem to be for the best interest of said Parish or the area formerly served by the dissolved Mission.

## CANON 3. THE PARISH

**3.00 How Parish May Apply.** A new Parish may be organized upon application made either by 50 or more communicants of 18 years of age or over, or by an existing Mission having 50 or more communicants of 18 years of age or over, when such Parish is able to meet all current expenses and maintain a Rector at a salary equal to or above the Diocesan minimum standard salary and to meet its Diocesan obligations and the assessment to The Church Pension Fund.

**3.01 If Not Already a Mission.** Whenever 50 or more communicants of 18 years of age or over shall desire to organize as a Parish, being resident in the locality or community within which the proposed Parish is to be located, they shall present a written application to the Bishop as provided in Title II, Canon 1.00. In addition to the prerequisites in this Canon and in Title II, Canon 1, such application shall include a promise and declaration on the part of such communicants that the said Parish shall be forever held under, and that they shall conform to and be bound by the Ecclesiastical Authority of the Bishop of The Episcopal Diocese of San Diego and the Bishop's successors in office, the Constitution and Canons of The Episcopal Church and the Constitution and Canons of The Episcopal Diocese of San Diego.

[Amended in Convention 1996: To conform the numbering system and to render the Canons gender neutral]

**3.02 For an Existing Mission.** Whenever a Mission shall desire to organize as a Parish, notice of the date and place of a public meeting of the members of the Mission, at which the proposed organization is to be considered, shall be given at all services at the customary place of worship of that Mission, on the two Sundays immediately preceding the proposed meeting. If at said meeting at least 50 members of said Mission qualified to vote at its Annual Meeting, and being no less than a majority of those present, shall vote in favor of the proposed Parish organization, a written application signed by two-thirds of the full membership of the Bishop's Committee of the Mission and by at least 50 of the aforesaid members who voted for such organization shall be presented to the Bishop in the manner provided for in Title II, Canon 1.00, 1.01, 1.02 and 1.03. In addition to these prerequisites, such application shall include the same pledges of conformity as required in Title II, Canon 3.01.

[Amended in Convention 1996: To conform the numbering system]

[Amended in Convention 2007: To change "Vestry" to "Bishop's Committee"]

**3.03 For a Parochial Mission.** A Parochial Mission may apply for permission to organize as a Parish in the same manner as provided in Title II, Canon 3.02 with the addition of a certificate of consent by the Rector and two-thirds of the full membership of the Vestry of the sponsoring Parish.

[Amended in Convention 1996: To conform the numbering system]

**3.04 Public Meeting to be Called.** Upon receipt of the consents of the Bishop and the Standing Committee, the Parish shall be organized at a public meeting called by the Bishop or the Member of the Clergy the Bishop may have appointed to preside or by the Rector of the sponsoring Parish in the case of a Parochial Mission. Not less than ten

The proposed Parish shall organize by adopting a Constitution or Bylaws, which shall have been first submitted to and approved by the Bishop with the advice of a Chancellor and the advice and consent of the Standing Committee, which shall set forth amongst other things the name by which the Parish shall be legally known and the promises of conformity made in the application to the Bishop and by election of a Vestry, from which shall be chosen two Wardens as provided in Title II, Canon 6.00.

[Amended in Convention 1996: To conform the numbering system and to render the Canons gender neutral]  
[Amended in Convention 2007: To make a public meeting mandatory; change times of notice; to extend approval parameters]

**3.05 Organization of Vestry and Election of Rector.** The organization of a new Parish having been completed in accordance with the previous section, the Vestry then elected shall organize and elect its officers, either immediately or at a later date agreed upon by a majority of Vestry members present. The Vestry shall elect a Rector under the provisions of Title II, Canon 7, by an affirmative vote of two-thirds of the full number of Vestry members elected.

**3.06 Election of Delegates from Parish to Convention.** The new Parish shall elect its Delegates to the Diocesan Convention in accordance with its Bylaws. Such election of Parish Delegates shall replace any former election of Mission Delegates. Delegates to the Diocesan Convention shall serve from the date of the Convention to which they were elected until the date of the next Annual Meeting of the Diocesan Convention, and shall serve at any Special Meetings of Convention occurring in the interim, including a Special Meeting of Convention for the Election of a Bishop, and until their successors are elected.

[Amended in Convention 2007: To clarify the term of election of delegates to Diocesan Conventions.]

**3.07 Parish May Incorporate.** Upon complying with all of the provisions of the foregoing sections of this Canon, a Parish may incorporate under the laws of the state in which it is located. The Rector of the Parish shall be ex officio a member and the Chief Executive Officer of the Parish Corporation's Board of Directors or Trustees, (i.e., the Vestry), and the Articles of Incorporation and the Bylaws shall so provide. The Bylaws shall further state that the Constitution and Canons of The Episcopal Church and the Constitution and Canons of The Episcopal Diocese of San Diego, from time to time in effect, shall be incorporated in said Bylaws; and that in the case of any conflict between said Constitutions and Canons and said Bylaws, the former shall prevail over and in all respects supersede and to that extent effect the repeal of the said Bylaws. The Articles of Incorporation and the Bylaws of any Parish, and any amendment to either of them, shall first be submitted to and approved by the Bishop, with the advice of a Chancellor and the advice and consent of the Standing Committee.

[Amended in Convention 2007: To revise language and to extend approval parameters.]

**3.08 Irrevocable Dedication.** No Parish shall be organized nor shall it be operated for pecuniary gain or profit and shall not contemplate the distribution of gains, profits or dividends to its members and shall be organized solely for religious purposes.

The property, assets, profits and net income shall be irrevocably dedicated to religious purposes and no part of the profits or net income shall ever inure to the benefit of any member of the Vestry, officer or member or to the benefit of any private individual. On the dissolution or winding up of the Parish, its assets remaining after payment of, or provision for payment of, all debts and liabilities, shall be distributed to the Corporation of the Diocese, to be held by it in trust or otherwise for religious purposes only.

[Amended in Convention 1996: To render the Canons gender neutral and to correct reference to the Corporation]

**3.09 Consent Required before Encumbering, Acquiring or Disposing of Real Property.** Should any Parish desire to mortgage, lease, or otherwise encumber, to sell, exchange or otherwise dispose of all or any of its real property, or to acquire, except by gift, devise or bequest, any real property subject to an existing encumbrance, or to assume an existing encumbrance, the written consents of the Bishop and the Standing Committee must be obtained prior to any such sale, exchange, mortgage, or other encumbrance, disposition or acquisition.

[Amended in Convention 2011: To include leases as an encumbrance needing approval.]

**3.10 Dissolution of a Parish.** A Parish may be dissolved by approval of two-thirds of the votes of qualified electors present at an Annual or Special Meeting duly announced at all services on three successive Sundays following written notice by the Vestry to all qualified electors and only with the consents of the Bishop and the Standing Committee. In the event that there is no Vestry qualified to act, the meeting may be called by the Bishop and the Standing Committee. In the event there is no congregation to convene, the Bishop and the Standing Committee may dissolve the Parish. Upon dissolution all assets and liabilities shall be conveyed to the Corporation of the Diocese, which shall use any residuary proceeds for such beneficial purposes of the Church in The Episcopal Diocese of San Diego as the Bishop and the Standing Committee shall deem fitting.

[Amended in Convention 1996: To correct reference to the Corporation]

**3.11 Dissolution of a Parish in Order to Become a Mission.** Any Parish, incorporated or unincorporated, may request of the Convention, through the Committee on Admission of Parishes and Missions, with the approval of the Bishop and the Standing Committee, permission to dissolve the Parish association or corporation, and reorganize as a Diocesan or Parochial Mission, following the same procedure as for the organization of a Mission. Title to the property of the Parish shall then be transferred to the Corporation of the Diocese or to the sponsoring Parish if incorporated.

**3.12 Providing Chancellor with Certain Documents.** Every Parish shall provide the Chancellor of the Diocese with a copy of its Articles of Incorporation and Bylaws or, if unincorporated, with a copy of its Constitution and Bylaws, together with all amendments thereto which may from time to time be made and with copies of applicable federal and California tax exempt letters.

**3.13 Action Plan Parish.** This Canon is intended to address the exceptional case of a Parish whose continued viability as a self-sustaining entity appears to be in

jeopardy, such that some degree of diocesan partnership, oversight or intervention is needed as a means of restoring the health of the congregation. Except under unusual circumstances (see Canon 3.13.03), such action is not intended to derogate from the traditional right and responsibility of Parishes in the Episcopal Church to govern themselves. Rather, in those cases herein, whether on the initiatives of the Parish, and in such cases, it shall be the duty and obligation of all parties, working together, to strive to accomplish the speedy end, or substantial amelioration, of the conditions that led to the declaration of Action Plan Parish, and to restore the congregation to spiritual and temporal health and viability as a self-sustaining entity. The designation of a congregation as an Action Plan Parish shall continue for a period of four years. A Parish (hereinafter a “congregation” or “Parish”) may be declared to be an Action Plan Parish as set forth herein when any one or more of the following conditions exists:

(a) The congregation refuses or neglects to assemble to elect a Vestry, as provided in these Canons, or fails to send representation and to participate in the Conventions of this Diocese; or

(b) The congregation fails to call and elect a Rector after a reasonable period of time, as determined by the Bishop; or

(c) The congregation willfully fails to comply with the provisions of Canon 1.7 of The Episcopal Church “Of Business Methods in Church Affairs” or has engaged in improper or unethical business practices; or

(d) The congregation qualifies for forfeiture of parochial privileges pursuant to Article XIV of the Constitution of the Diocese; or

(e) The congregation fails or refuses to make and pay its Mission Share Pledge for a period of two years or more; or

(f) The congregation fails or is unable to support a level of clergy staff and lay engagement to ensure that the congregation’s needs for Worship, Education, Pastoral Care and Outreach Ministries are adequately met. For the purposes of this section, it is considered that the inability to provide for the services of a clergy person for at least ½ time (to include any mandated pension and/or insurance benefits), equates to a failure of such support.

(g) The congregation fails to pay in full the insurance premiums for general liability coverage, including coverage for sexual misconduct, in an amount set by the Executive Council of the Diocese, and with an insurance company approved by the Executive Council;  
or

(h) If financial reports reveal an invasion of the endowment funds or other practices that are evidence of existing or probable future financial instability sufficient, in the judgment of the Bishop and Standing Committee, to warrant action under this Canon; or

(i) Failure to complete and file parochial reports per diocesan and Episcopal Church policy; or

- (j) Failure to complete and file audit reports per diocesan policy; or
- (k) Failure to cooperate with any inquiry, made in connection with this Canon, by the Ecclesiastical Authority or its designee, including the failure or refusal to provide full and accurate information on the state of the Parish and its affairs; or
- (l) The congregation takes action (whether by the Vestry or the Rector, or both) which is designated to effect a separation of the Parish from The Episcopal Church or the Episcopal Diocese of San Diego, or otherwise acts in violation of the Canons of The Episcopal Church or these Canons; or
- (m) When the congregation is found to be in a state of continued conflict by the Bishop in consultation with the Standing Committee.

The specific condition(s) found to exist shall be delineated in writing by letter from the Bishop to the Clergy person in Charge, the Vestry and the congregation promptly after the declaration as an Action Plan Parish.

3.13.01 Action under this Canon may be initiated by any of the following:

- (a) The Rector or upon the affirmative vote of two-thirds of the members of the Vestry/Bishop's Committee of any such congregation; or
- (b) The Bishop; or
- (c) The Standing Committee upon the affirmative vote of two thirds of its members.

3.13.02 When action has been initiated hereunder, the Bishop shall appoint a committee of three (3) lay leaders, two of whom are not members of the congregation, and one chosen from the Vestry, to investigate, and work with the Vestry and Clergy person in Charge, to seek to ameliorate the conditions which led to the action, and to report quarterly to the Bishop. This Action Plan Parish Committee shall, working together with the Clergy person in Charge, and the Vestry, as soon as possible, identify immediate corrective steps that should be implemented, and no later than one year after the committee's formation, submit to the Bishop a detailed written plan for restoration of Parish status, to include specific goals and objectives that the plan is designed to meet. The APP Committee shall serve for up to four (4) years to aid in the restoration of the congregation to Parish status or, failing adequate progress in this regard, to confer with the Bishop about possible other actions as described below, including conversion to Mission status. The congregational shall, with assistance from the APP Committee, submit monthly operational reports to the Bishop. The Bishop shall have the further right to have the books and records of the congregation audited.

3.13.03 If the conditions specified in the Bishop's letter, referred to above, persist beyond two years from the date of declaration, and the APP

Committee, after consulting with the PIC and Vestry, reports that adequate progress is not being made to ameliorate these conditions, the Bishop, with the consent of the Standing Committee may impose additional requirements upon the congregation. Any one or more of the following may be required:

- (a) That the Vestry be disbanded, and that the Bishop shall appoint six or more adult communicants, plus one member of the APP Committee, to serve as a Bishop's Committee in place of the Vestry;
- (b) Designation of the Rector as Priest in Charge, or in the absence of a Rector, to appoint a Priest in Charge;
- (c) Conveyance of title to real property to the Diocese;
- (d) In the event that the congregation is incorporated, direct that the corporation be dissolved; or
- (e) Such other actions as may be deemed necessary to restore health to the congregation.

In the event that the Bishop (with Standing Committee consent) does elect to take any or all of the actions described herein, the effective ecclesiastical status of the church may be deemed that of a Mission, in accordance with the Canons.

3.13.04 At any time after the first 24 months and prior to the expiration of the four-year period since being declared an Action Plan Parish, the congregation may be restored to full and regular Parish status. Such action may be taken by the Bishop, with the consent of the Standing Committee, either upon the Bishop's own initiative, or on petition of the Vestry of Bishop's Committee of the Action Plan Parish. The decision to restore to Parish status shall be based upon a finding that the congregation has successfully addressed or substantially ameliorated the conditions that led to the declaration of Action Plan Status. Alternatively, after two years, but within the four-year period, the Bishop may take action to either: a) designate that the congregation shall thenceforth be a Mission of the Diocese; or b) extend the congregations status as an Action Plan Parish for an additional period not to exceed three years. An action under a) above, shall be based on a finding by the Bishop in consultation with the Standing Committee and the Action Plan Parish Committee that the congregation has not made adequate progress toward ameliorating the conditions that led to its Action Plan Parish status; and, an action under b) above, shall be based upon a finding that some progress has been made, but additional steps are required to be accomplished before Parish status can be renewed. In this case, these 'additional steps' shall be set out in writing. In the case of action under either a) or b), consultation with the Clergy-person in charge and Vestry, and consent of the Standing Committee is required, and any congregation so affected, can, by majority vote of its members attending a properly noticed membership meeting, challenge said action by petitioning the next Diocesan Convention, such petition to be filed with the Secretary of Convention at least 30 days before the date of the Convention. If a congregation remains in APP status for more than 7 years, action may be taken by the Bishop (with consent of the Standing

Committee), within 60 days, to either restore that congregation to Parish status, or have it converted to Mission status. In such events:

- (i) If the congregation is restored to Parish status, and if the Bishop has previously appointed or designated a Priest in Charge, that Priest shall forthwith resign, and the Vestry shall call a Rector in accordance with the Parishes By-Laws and these Canons. The Priest in Charge is not barred from being called as Rector; and
- (ii) If the congregation is converted to Mission status, and such action is not revoked by vote at Convention, the congregation and the Diocese should take the necessary steps to immediately organize itself as a Mission in accordance with these Canons.

3.13.05 It shall be the responsibility of all parties, including the lay and clergy leadership of the Action Plan Parish, the Office of the Bishop and the Action Plan Parish committee, to labor to restore the congregation to a greater degree of health, presenting all challenges and opportunities to be addressed in an open, honest manner, in a climate of respect and charity, and for the greater good of the Church's witness to its Lord.

[Added in Convention, 2007 (all of Section 3.13): To designate and describe a Mission Action Parish.]

[Amended in Convention 2019 (all of Section 3.13): To change from Mission Action Parish to Action Plan Parish and extend the time period and options.]

4.02.01 A Bishop's Warden appointed annually by the Bishop.

4.02.02 Two Chapter members elected by the Convention of the Diocese for four-year terms, except as herein provided. So as to provide rotating membership, immediately after the initial election, it shall be determined by lot which

[Amended in Convention 1996: To render the Canons gender neutral]

4.04 **Dean's Resignation.** The Dean's resignation shall be in writing, delivered to the Bishop, or if that is impossible, the Senior Warden or one of the Officers of the Cathedral Chapter shall notify the Bishop in writing that a vacancy has occurred in the office of the Dean. When the office of the Dean of the Cathedral is vacant, it shall be the duty of the Chapter to elect and call a Dean in accordance with and pursuant to the Canons of the Diocese as they relate to the call of a Rector, and in consultation with the Bishop who must approve said selection and call.

4.05 **Canons of the Cathedral.** The number of Canons residentiary on the staff shall be determined by the Dean and Chapter. Their titular designation shall be determined by the Bishop in consultation with the Dean. Diocesan Canons may be appointed by the Bishop, and they are accorded the dignity of Honorary Canons of the Cathedral.

4.06 **Diocesan Expenses.** The Diocese shall be responsible for all expenses in connection with Diocesan functions held in the Cathedral and for those portions of the Cathedral properties regularly occupied as Diocesan offices and any other extra expense incurred by the Cathedral by reason of its serving as Cathedral of the Diocese which are beyond the normal expenses of a Parish without Cathedral status.

4.07 **Amendments and Dissolution.** The designation of Saint Paul's as the Cathedral Church of the Diocese, and the written consent to such designation and this Canon by the Vestry of Saint Paul's Parish are intended and expected to continue so long as both the Parish and the Diocese exist. Nevertheless, either the Bishop and the Diocesan Convention or the Cathedral Chapter shall have the right to terminate this

designation and return said Cathedral to Parish status through formal action of either the Bishop and the Convention of the Diocese or the Chapter of the Cathedral by mutual agreement or by giving one year's written notice thereof through formal action of either of said parties.

4.08 **Amendments.** This Canon may be amended in the same manner as provided for such amendments, provided however that all such amendments must be ratified and accepted by the Cathedral Chapter before becoming effective.

## **CANON 5. ELECTORS AND ELECTIONS**

5.00 **Qualified Electors.** The following shall be qualified electors: Any person of 16 or more years of age who is an attendant at worship and a regular contributor of record and who for the previous 60 days shall have been registered in the congregation as a baptized person or communicant member.

[Amended in Convention 1997: To lower age standard from 18 to 16.]

**6.02 Vacancies.** The Vestry shall have power to fill vacancies in its own body and shall continue in office until their successors are elected. The Vestry may declare that a vacancy exists when a member shall have unexcused absences from three successive regular Vestry meetings. A vacancy in the office of Senior Warden in Missions shall be filled by appointment of the Ecclesiastical Authority and in Parochial Missions by appointment of the Rector.

[Amended in Convention 1996: To change "Bishop" to "Ecclesiastical Authority" to clarify role of Ecclesiastical Authority]

**6.03 Wardens to Act.** In case a congregation be without a Rector, Vicar or Priest-in-Charge, or such Member of the Clergy be absent or unable to act, the Senior Warden, or in whose absence the Junior Warden, shall preside at all Vestry and Parish Meetings. No Vestry or Parish Meeting shall be valid without the presence of either such Member of the Clergy in charge or the representative of the Bishop or one Warden.

[Amended in Convention 1996: To render the Canons gender neutral]

**6.04 Member of the Vestry May Preside.** The Rector, Vicar, or Priest-in-Charge when present at a Vestry meeting shall preside personally, but may delegate presiding to some other member of the Vestry.

[Amended in Convention 1998: To render the Canons gender neutral]

[Amended in Convention 2008: To change from "may preside" to "shall," and add "but may delegate".]

[Amended in Convention 1996: To render the Canons gender neutral]

**7.01 In Case of Vacancy, Vestry to Inform Ecclesiastical Authority.** Whenever the Rectorship of a Parish shall become vacant by resignation or otherwise, the Vestry shall, within five days, make written communication of the fact to the Ecclesiastical Authority, which may appoint a Priest-in-Charge pending the election of a Rector.

[Amended in Convention 1996: To change "Bishop" to "Ecclesiastical Authority" to clarify role of Ecclesiastical Authority]

[Amended in Convention 2007: To Change "Minister-in-charge" to "Priest-in-Charge"]

**7.02 Committee to Consult with Ecclesiastical Authority.** Before considering or calling any Member of the Clergy to the office of Rector of a Parish, the Vestry of such Parish shall first appoint a Committee of the Vestry to consult with the Ecclesiastical Authority concerning the selection of a Member of the Clergy for the office of Rector of such Parish. Such Committee shall meet with the Ecclesiastical Authority and they shall consult together concerning the election of a Rector. The Ecclesiastical Authority shall make recommendation of members of the Clergy whom such Ecclesiastical Authority shall deem qualified to accept the Rectorship of said Parish. The Committee and the Ecclesiastical Authority shall agree upon one or more suitable Members of the Clergy to fill the office of Rector of such Parish, if possible, and the names of the members of the Clergy so agreed upon shall be submitted to the Vestry of the Parish and the Vestry shall make its selection from such Members of the Clergy. If the Committee and the Ecclesiastical Authority shall not agree, the Committee must in any event submit the names of the members of the Clergy recommended by the Ecclesiastical Authority and the Vestry must consider such nominees before considering any others in making its selection.

[Amended in Convention 1996: To change "Bishop" to "Ecclesiastical Authority" to clarify role of Ecclesiastical Authority]

**7.03 Ecclesiastical Authority to Announce Vacancy.** The Ecclesiastical Authority, at an appropriate time, shall cause the vacancy to be made known to all clergy canonically resident in the Diocese.

**7.04 Two-thirds Vote Necessary to Elect.** In electing the Rector, an affirmative vote of two-thirds of the Vestry shall be required. No selection of a Rector shall be valid unless the procedure outlined in the Canons shall have been followed. If the Vestry shall not select a Member of the Clergy from those agreed upon by the Committee and the Ecclesiastical Authority, or if the Member of the Clergy elected shall decline, the same procedure shall be followed as herein outlined until an election and acceptance shall have been secured.

**7.05 Ecclesiastical Authority to be Notified.** Upon the election of a Rector, the Vestry of the Parish must give immediate notice to the Ecclesiastical Authority of the Diocese, whereupon the person so elected may enter upon the duties of Rector.

[Amended in Convention 1996: To render the Canons gender neutral and to change "Bishop" to "Ecclesiastical Authority" to clarify role of Ecclesiastical Authority]

**7.06 After Six Months' Vacancy, Bishop to Nominate.** In case the Rectorship of any Parish shall be vacant and the Vestry thereof shall, for a period of six months, fail to make such efforts to fill such vacancy as shall seem adequate to the Bishop and the Standing Committee of the Diocese, the Bishop shall then have the right to nominate to the Vestry one Member of the Clergy to fill such vacancy and the Vestry shall elect such Member of the Clergy to become the Rector of the Parish.

[Amended in Convention 1992 to add concurrence of Standing Committee - former language: ". . . as shall seem adequate to the Bishop of the Diocese, the latter shall have the right to nominate . . ."]

**7.07 Assistant Clergy.** In case any Parish desires additional Clergy as Assistants, its Rector shall request of the Ecclesiastical Authority the names of suitable Members of the Clergy. The Rector may propose names to the Ecclesiastical Authority. [Amended in Convention 2012: To change "Diocesan Council" to Diocesan Executive Council and remove reference to Commissions.]

**2.01 Sources of the Fund.** The Diocesan Fund shall be derived from the following sources:

- (a) Income received from endowment and trust funds and from such contributions as may be made thereto;
- (b) The offering at the opening service of each Annual Convention;
- (c) Accepted pledges of each congregation.

**2.02 Receipts and Disbursements of the Fund.** The Diocesan Fund and all monies due or accruing thereto shall be paid to the Treasurer of the Diocese, who shall pay no monies therefrom, except as provided in Canon 2.04 of this Title IV, which have not been specifically provided for by the Convention in the Annual Budget, except as authorized by the Diocesan Executive Council.

**2.03 Pledge and Payment of Diocesan Contribution.** Each congregation is expected to pledge and contribute to The Diocesan Fund, as the minimum mandatory level of giving, ten and one half percent (10.5%) of its Net Disposable Income. Congregations are encouraged to contribute greater than ten and one half percent (10.5%) to the Diocesan Fund. Each congregation contributing greater than the minimum mandatory pledge can, in consultation with a subcommittee of executive council, designate a destination of their contribution above the mandatory minimum. Any congregation proposing to pledge less than the mandatory ten and one half percent (10.5%) of Net Disposable Income may, before submitting its pledge, seek a waiver from the Committee on Financial Review, as approved by the Bishop, of the minimum required pledge amount. Unless another payment schedule is arranged with the approval of the Bishop, the congregation shall pay its Diocesan contribution to the Treasurer of the Diocese in 12 equal installments, remittance to be made no later than the 15th of each month. For purposes of representation at Convention, a congregation will be deemed to have met its "Minimum Diocesan Contribution" only when the congregation has both (i) actually paid to the Diocesan Fund at least ten and one half

percent (10.5%) of its Net Disposable Income for the second year immediately preceding the year in which the Convention is held, and (ii) pledged at least ten and one half percent (10.5%) of its Net Disposable Income as reported in its parochial report for the year immediately preceding the year in which the Convention is held; provided, however, that following a Declaration of Extraordinary Circumstances (as defined in and established in accordance with Canon V.1.10), the Executive Council may, by resolution adopted with the written consent of the Bishop, adjust the Minimum Diocesan Contribution for one or more congregations for the calendar year(s) during which the Declaration of Extraordinary Circumstances remains in effect. "Net Disposable Income," for purposes of this Canon, means a congregation's unrestricted income, as determined in accordance with guidelines from time to time by the Diocesan Executive Council.

[Amended in Convention 1994: This Canon previously provided only for payment of a congregation's Mission Share in 12 equal monthly installments.]

[Amended in Convention 2002: To conform with the Diocesan Council's redefining "Net Disposable Income" as based on the Parochial Report.]

[Amended in Convention 2007: To add Bishop's approval; to delete "other than support from the Diocese or another congregation"]

## TITLE V - THE CANONS

### CANON 1. ENACTMENT AND AMENDMENT OF CANONS

1.00 **Amended by Majority Vote.** These Canons may be altered or amended at a Diocesan Convention by an affirmative vote of the majority of those voting.

1.01 **Amendments to be Filed 90 Days Previous.** No proposed amendment or addition to the Canons shall be considered or affirmatively acted upon by any Convention, otherwise than by referring the same to a Committee to report thereon to the succeeding Annual Convention unless a copy of such proposed amendment or addition shall have been filed with the Secretary of the Convention, at least 90 days before the meeting of the Convention.

1.02 **Secretary to Deliver Amendments to Committee.** The Secretary of the Convention shall deliver copies of all proposed amendments or additions to the Canons, filed in accordance with Title V, Canon 1.01, to the Chair of the Committee on Canons, appointed under Title I, Canon 10.08 of these Canons and such Committee shall report thereon on the first day of the Convention.

[Amended in Convention 1996: To clarify procedures, to render the Canons gender neutral and to conform the numbering system]

1.03 **Reference from Previous Convention Included in Report.** Amendments or additions to the Canons may be considered on the report of the aforesaid Committee or of any Special Committee to which such amendments or additions, or the subject matter thereof, may have been referred at a previous Convention.

1.04 **Committee May Change for Homogeneity.** The Committee to which any amendment or addition may have been referred, as in this Section provided, may in its judgment report a substitute for, or change any proposed amendment or addition, and shall report such other amendments to other sections of the Canons as may be required to make the Canons consistent with each other, if the proposed amendment or addition should be adopted.

1.05 **New Amendments to be Received Only by Unanimous Consent.** If any cause should arise, which in the judgment of the Convention shall require the adoption, by the current Convention, of amendments or additions which have not been filed as provided in Title V, Canon 1.01, then the Convention may, by unanimous consent, receive such amendments or additions and refer them to the Committee on Canons, or to a Special Committee, with instruction to report before final adjournment; and, when reported, the said amendments or additions may be considered and acted upon at once, in the same manner as if they had been filed as provided in the aforesaid Canon.

[Amended in Convention 1996: To conform the numbering system]

1.06 **Copies of Amendments are to be Printed.** The Secretary of the Convention shall have copies of all proposed amendments or additions printed for the information and use of the Convention, shall have printed at the close of the Convention all

amendments which have been adopted and shall send copies to every Member of the Clergy and to the Clerk of every congregation for its delegates to that Convention.

**1.07 Proposed Amendments to be Mailed 25 Days Prior.** At least 25 days before the convening of the Annual Convention, the Secretary shall mail to every Member of the Clergy one copy and to the Clerk of every congregation one copy for each Lay Delegate of any proposed amendments to the Constitution and Canons as shall have been committed to any Special Committees or referred to the Committee on Canons by the preceding Convention, together with such other proposed amendments as may have been received by the Secretary during the year.

**1.08 Effective Date.** These Canons shall become effective immediately upon adoption by the Primary Convention. Amendments shall become effective upon adjournment of the Convention in which they are adopted, unless otherwise specified in said amendment.

**1.09 Gender and Number.** In construing these Canons, the singular shall include the plural and the masculine shall include the feminine, where the context so requires.

**1.10 Declaration of Extraordinary Circumstances.** This Canon recognizes that in Extraordinary Circumstances (as that term is defined below), it may not be advisable or even possible to observe or implement certain provisions of these Canons. By way of illustration only, if live in-person worship has been suspended for a number of months, average annual Sunday attendance as reported in an annual parochial report may not be a meaningful figure for determining lay Delegates to Convention using the table in Canon I.4.03, and it may be advisable to carry forward the same level of Delegate representation as in a prior year. Similarly, unemployment caused by the Extraordinary Circumstances coupled with the suspension of in-person worship may produce substantial adverse impacts on congregational income, making it advisable to lower a congregation's Minimum Diocesan Contribution from the level that would be required under Canon IV.2.03. These two examples are not meant to be a complete list; there may be other consequences of either the Extraordinary Circumstances themselves, or of a governmental response thereto, that make waiver, relaxation or other adjustment of the mandates of one or more other Canons necessary or advisable, including (by way of example but without limitation) requirements for celebration of Holy Eucharist at each Convention, or for in-person meetings at specific locations.

[Added by Convention, 2020]

**1.10.1 Consent for Declaration of Extraordinary Circumstances.** From time to time, the Bishop, with the consent of the Standing Committee and Executive Council, may make a Declaration of Extraordinary Circumstances that specifies that Extraordinary Circumstances have been in existence since a date specified in the Declaration, and authorizing further action in accordance with this Canon. The Declaration shall be in force for an initial duration of one year from the date of Declaration of Extraordinary Circumstances and may be renewed or extended one or more times by the Bishop with the consent of the Standing Committee and Executive Council. Upon cessation or termination of the Extraordinary Circumstances that gave rise to the Declaration, the Bishop, after resolutions adopted by both the Standing

Committee and the Executive Council, shall promulgate to the Diocese that for purposes of this Canon, the Extraordinary Circumstances are no longer in existence and (unless the Declaration has already expired without renewal) that the Declaration of Extraordinary Circumstances is therefore withdrawn. As used herein, the term “Extraordinary Circumstances” means a pandemic or epidemic, a natural disaster (including fire, earthquake or other severe act of weather or nature), an act or state of war or terrorism, or other comparable event, circumstance, or condition, or governmental action in response to any of the foregoing.

[Added by Convention, 2020]

**1.10.2 Limited Relief to Congregations During Extraordinary Circumstances.** Following promulgation and for the duration of a Declaration of Extraordinary Circumstances, the Executive Council may, by resolutions adopted with the written consent of the Bishop, take such actions as are appropriate in response to the Extraordinary Circumstances, including but not limited to the relief already authorized under Canons I.4.03 and IV.2.03 and (ii) waiver, relaxation or other adjustment of the mandates of bylaws or other governing documents that would otherwise be applicable to a congregation.

[Added by Convention, 2020]

**1.10.3 Declaration of Extraordinary Circumstances Due to Pandemic in 2020.** By adoption of this Canon, and without the need for further action by Standing Committee, Executive Council or Bishop, a Declaration of Extraordinary Circumstances is deemed to have been promulgated with respect to the novel coronavirus pandemic of 2020, with Extraordinary Circumstances deemed to have been in existence since March 17, 2020, and with the Declaration to remain in force indefinitely until withdrawn as set forth above.

[Added by Convention, 2020]

# **RULES OF ORDER OF THE CONVENTION OF THE EPISCOPAL DIOCESE OF SAN DIEGO**

## **RULE 1 Motions**

No motion shall be considered as before the Convention until seconded and stated to the Convention by the presiding officer. If not presented in writing, the President, or any member of the Convention, may require the motion to be reduced to writing before being presented to the Convention. After a motion is in possession of the Convention, the mover cannot modify or withdraw it without the consent of the Convention.

## **RULE 2 Order of Motions**

When a question is before the Convention, no motion shall be received but to lay it upon the table, to take a vote thereon at a certain time, to postpone to a certain time, to postpone indefinitely, to commit or to amend; which motions shall have precedence in the order named.

## **RULE 3 Amendments**

When a motion is under consideration, a motion to amend, a motion to amend that amendment, and a motion for a substitute for both amendments shall be in order. These motions shall be considered and voted upon in the reverse order in which they are received.

## **RULE 4 Non-debatable Motions**

The following motions shall not be debatable: to adjourn (which shall always be in order when no member is speaking), to lay on the table, to take from the table, to take a vote at a certain time, to close debate, to extend the limits of debate, an objection to the consideration of a question, a call for the order of the day, to reconsider an undebatable question, to fix the time of adjournment, to postpone to a certain time, to permit the withdrawal of a motion, and to suspend the rules. If a motion to lay an amendment on the table be carried, the matter before the Convention shall be proceeded with as if no amendment had been offered.

## **RULE 5 Division of Question**

If a question under consideration contains several distinct propositions, the same may be divided on the request of any member, subject to the decision of the presiding officer that the division can be made. If objection is made to such division, a motion to divide may be put before the Convention. When a motion for a division is made, the mover

must specify the manner in which he/she desires the question to be divided. A motion to strike out and insert shall be indivisible.

## **RULE 6 Speaking**

No member may speak more than once on the same question, or longer than five minutes. By consent of three-fourths of the members, the Convention may grant leave to a member to speak a second time on the same question, but no longer than three minutes. A Chairman of a Committee, or the mover of a resolution, presenting a report, shall be permitted an opening and a closing speech on every question submitted for action, but not to exceed ten minutes for each speech, unless special leave be given by the Convention to extend the time.

A member may speak for not longer than two minutes, when nominating a candidate for election to any office.

A member desiring to make a nomination shall rise and receive the recognition of the Chair before naming his/her candidate.

## **RULE 7 Members Must Vote**

Every member present shall vote, whenever a question is put, unless excused by the Convention on account of his/her being personally interested in the result, or for other cause.

## **RULE 8 Manner of Voting**

The vote shall be taken by ayes and noes, or by orders when called for by five members, and shall, in such case, be entered on the minutes.

[See Article 12, Sec. 1 of the Constitution requiring ten members for a vote by orders]

## **RULE 9 Individual Vote may be Recorded upon Request**

In taking the vote by orders it shall be the right of any member of the delegation, who may dissent from the vote of the majority of the delegation, to have the fact of his/her dissent recorded in the minutes.

## **RULE 10 Reconsideration**

In all questions decided numerically, a motion to reconsider must be made by one member, and seconded by another, who voted in the majority. In all questions decided by a vote of orders, a motion to reconsider, if made by a Member of the Clergy voting in the majority; and if made by a Lay Delegate, it must be seconded by a Member of the Clergy voting in the majority. A motion to reconsider must be made within twenty-four hours after the vote was taken. When a motion to reconsider a vote prevails, the question is again

before the Convention as if no vote had been taken upon it. No question shall be reconsidered more than once.

**RULE 11**  
**Special Committees**

All Special Committees shall be appointed by the President, unless otherwise ordered.

**RULE 12**  
**Report of Committees**

The reports of all Committees shall be in writing. If a report is received by the Convention when presented, it may at once be acted on, or laid on the table for future consideration. The reception of a report by the Convention does not adopt it or its recommendations. If it is desired that a report, or its recommendations, shall become the action of the Convention, a resolution or resolutions to that effect must accompany it. When the report of a Special Committee is acted upon by the Convention, the Committee ceases to exist.

**RULE 13**  
**Points of Order**

When a member is called to order by the President, or by another member rising to a point of order, he/she shall immediately take his seat unless permitted to explain. All questions of order shall be determined by the President; but any member may appeal from the decision of the Chair, and on such appeal no member may speak more than once without leave of the Convention.

**RULE 14**  
**Changing Rules**

The prescribed Order of Business shall not be departed from nor shall any Rule of Order be suspended or changed, unless by a vote of two-thirds of the members present. Nor shall any Rule of Order, or Order of Business, be changed without one day's previous notice to that effect, except by a vote of two-thirds of the members present.

**RULE 15**  
**Quorum to Elect**

The majority of a quorum shall always be required to elect an officer.

**RULE 16**  
**Committee on Rules of Order**

The Committee shall be appointed by the Bishop as provided in Title I, Section 10.02 of the Canons. All proposed changes in the Rules of Order shall be referred to the Committee on Rules of Order for consideration and report. When questions of order are raised, which are not provided for by these rules, the President, if he/she so desires, may refer such questions to the Committee on Rules of Order for their opinion. "Robert's Rules of Order" shall be the parliamentary guide in all cases not provided for in these rules.

**RULE 17**  
**Election by Concurrent Votes**

In all elections required to be made by concurrent votes of both orders, the ballot of the Clerical Order shall first be counted and the list of the person or persons elected by said order shall be declared; the ballots of the Lay Order shall next be counted and the list of person or persons elected by said order shall be declared. Any person or persons whose name or names shall appear on both of the said lists of persons elected shall be declared elected by the Convention, and no person shall be declared elected by the Convention unless he/she shall have been so elected by the vote of each order considered separate and apart from the other order.

**RULE 18**  
**Printed Reports Distributed**

All printed reports shall be delivered to the Secretary for distribution before the opening of the first session of the Convention, and five minutes only shall be allotted for hearing a summary of each printed report when called up. This provision is not to apply to the Report of the Committee on Canons, or the Report of the Finance Committee.

**RULE 19**  
**Resolutions to be Filed**

Contemplated resolutions to involve debate shall be filed with the Secretary of Convention 14 days before the opening session of Convention, so that thoughtful consideration may be given to the resolution by the Committee on Resolutions. Convention may set aside this requirement, to all allow for the consideration of a resolution received during this 14 day period, by a two-thirds vote. No resolution, except one of courtesy, shall be considered by Diocesan Convention unless it has been duplicated and copies are in the hands of the delegates. Resolutions requiring duplication shall be filed with the Secretary of Convention in time to permit their duplication.
