- **Citizen Connect:** <https://citizenconnect.us/> is your nonpartisan doorway to civic action.

*it puts 600+ organizations – right, left and center – working to strengthen our democracy at your fingertips, so you can choose how to connect.*

- **The Bipartisan Policy Center:** <https://bipartisanpolicy.org> is a not-for-profit organization that ensures policymakers work across party lines to craft bipartisan solutions.

*By bringing together Republicans and Democrats—and providing them with the space, policy insights, and evidence-based research they need to negotiate in good faith—we help turn legislators’ best ideas into passable, durable laws. Since 2007, the Bipartisan Policy Center has helped shepherd countless bills across the finish line.*

- **Braver Angels:** <https://braverangels.org> No issue is more polarized within our nation than how we conduct our elections. Conservatives and liberals distrust our electoral

system for vastly different reasons, from voter fraud and election security to voter suppression and peaceful transfer of power.

*Leading up to the crucial 2024 elections, Braver Angels worked to rebuild this trust by seeking solutions supported by people across the political spectrum. Much of the work done has culminated in a Braver Angels Report to the Nation which contains a Summary of Solutions proposing seven Election Topics.*

- **Common Grounds Committee:** <https://commongroundcommittee.org> is a nonpartisan, non-profit group working to help citizens hold leaders accountable for progress and civil discourse.

*Common Ground Scorecard* : <https://commongroundscorecard.org> is a tool for helping voters learn which elected officials and candidates seek common ground on important issues to move the country forward.
