

On October 11th, 2026 – The Church Unites to End Homelessness

A national moment for faith communities to stand together — and begin.

WHAT IS HOMELESSNESS SUNDAY?

On October 11, 2026 — one day after World Homeless Day — faith communities across the country will pause together to acknowledge the reality of homelessness in their neighborhoods, learn what actually works, and make a collective commitment to engage. This is not a one-time event. It is a beginning.

WHY ON SUNDAY?

Homelessness is rising in nearly every major city and small town in America. It is one of the defining moral questions of our generation — and The Church cannot sit on the sidelines. Homelessness Sunday is the moment we say together: we see this. We will not look away.

“Homelessness is not a peripheral issue for The Church. It is a defining one.”
